

Rainbow Gets Girls Ready for Life™

Join the only international club for girls that teaches what matters most – leadership, confidence, and citizenship. Rainbow uses fun events and challenging workshops to empower girls to be the best daughter, sister, friend, or student they can be.

Think of it as a global sorority, founded in 1922, where a girl can learn that she can make a difference and become a better person. Families play an important role, too, and are invited to attend all meetings and events. Joining is easy! Girls, ages 11–20, of all faiths, regardless of race, creed, color or national origin, are welcome.

Just call 1-800-843-4674 to find an assembly near you, complete the application, and you're on your way!
